Teaching (Subjects)

Courses: Civil Procedure, Constitutional Law, Professional Responsibility, United States Supreme Court Seminar, Collaborative Practice of Law and Social Psychology Principles Seminar (Problem Solving, Decision Making, and Professional Judgment).

Significant Administrative Experience

Associate Dean of Academic Affairs (University of Arizona) (current): Work with dean and small team of administrators on all College matters and innovations. Responsible for all curricular development and course scheduling. Work with all faculty and faculty committees on matters pertaining to curriculum, new programs, new requirements, student matters, and bylaw changes. Oversee staff in academic affairs and faculty support. Handle all student honor code matters.

Associate Dean of Clinical Programs and the Profession (Arizona State University): Responsible for all curricular and administrative areas that fall under the umbrella of professional practice readiness, experiential education, and professional responsibility including clinical programs, externship program, and professional responsibility curriculum. Successfully remodeled ASU College of Law's externship program, which is one of the largest in the country. Worked to secure two grants used to expand two separate clinical offerings and create a new program. Generated fundraising from individual donor to build new high-tech courtroom/classroom. Handled all student honor code matters.
