

Tara Sklar, JD, MPH

Professor of Health Law and Director, Health Law & Policy Program
University of Arizona James E. Rogers College of Law
trsklar@arizona.edu • (240) 856-2555

ACADEMIC APPOINTMENTS

University of Arizona, James E. Rogers College of Law

Professor of Health Law and Director, Health Law & Policy Program, 2018-

Launched and direct four online, multidisciplinary Graduate Certificates in Health Law and a Master of Legal Studies Concentration in Health Law & Policy in collaboration with eight colleges across the health sciences, business, engineering, science, and social sciences. Established strategic partnerships with the Critical Path Institute, NYU Grossman School of Medicine, Roche Tissue Diagnostics, Health Current, and the International Society for Cardiovascular Translational Research to deliver online courses, modules, and webinars. Graduate programs commenced in January 2019 and have attracted over 450 students.

University of Melbourne, School of Population and Global Health

Health Law Fellow, 2016 -

Director of Aging Programs, 2013-2016

Created an online, multidisciplinary Master of Aging degree by bridging eight colleges in business, health sciences, architecture, engineering, law, and the arts. Oversaw development for 13-courses and established a steering committee and international industry network advisory board comprised of 200 organizations across Australia and Asia. Led a Massive Open Online Course (MOOC) called [Rethinking Aging: Are We Prepared to Live Longer?](#), which has registered 20,000 students and received 4.5 out of 5 star student reviews.

Saint Louis University, School of Public Health and Social Justice

Adjunct Associate Professor in Health Management and Policy, 2011 – 2013

EDUCATION AND RELATED POSITIONS

University of Houston Law Center, Juris Doctor with Health Law and Policy Concentration, 2007

Research associate in health policy with Texas Department of Insurance
Summer associate in health policy and planning with Food and Drug Administration
Summer associate in medical ethics with MD Anderson Cancer Center

University of Texas, Master of Public Health in Management, Policy, & Community Health, 2007
