ACADEMIC APPOINTMENTS

University of Arizona, James E. Rogers College of Law

Professor of Health Law and Director of Graduate Health Sciences Programs, 2018-

Launched and direct online, multidisciplinary Graduate Certificates in Health Law and a Master of Legal Studies Concentration in Health Law & Policy in collaboration with five colleges across the health sciences, business, engineering, and the arts, along with the Critical Path Institute.

The programs commenced in January 2019 and have attracted over 150 graduate students.

University of Melbourne, School of Population and Global Health

Health Law Fellow in Law and Public Health Group, 2016 -

Director of Aging Programs, 2013-2016

Created an online, multidisciplinary Master of Aging degree by bridging graduate schools in business, health sciences, architecture, engineering, and the arts. Oversaw development for 13-courses, established a governance structure, including a steering committee and international advisory board, and led a Massive Open Online Course (MOOC) called [Rethinking Aging: Are We Prepared to Live Longer?](#). The Master of Aging has enrolled over 250 students and 20,000 students have registered for the MOOC.

Saint Louis University, School of Public Health and Social Justice
