DAYNA MICHAEL, Class of 2017
mom, veteran, Nix Scholar

WHAT IF YOU COULD CHANGE SOMEONE'S FUTURE?

At Arizona Law, our vision is that no student will be kept from an education because of cost. We choose to keep our tuition lower than almost all other top-tier schools, and two-thirds of students receive additional financial assistance. Your private support allows us to continue providing a world-class education at an affordable price and offset dwindling state funding.

Receiving a scholarship can transform a student's education, career, and life. Our students tell us that financial support is one of the most important factors that influences their decision to attend Arizona Law.

"Your generous support has made these last few years more about learning and less about worrying—thank you."

GABI CORRALES, Class of 2016,
Tucson native, non-profit board member, Carpenter Scholar,
Atwood Scholar

"I think the most amazing thing about the Arizona Law community is the participation of alumni and others who truly treasure the school and want to nurture its students."

BREEZE POTTER, Class of 2017,
NALS member, animal lover, Kenyon Pyle Vance Scholar

"Thank you for providing me with the opportunity to push the limits of my capabilities."

BRETT GILMORE, Class of 2017,
volunteer, outdoor athlete, James G. Boyer Scholar

We are in a defining moment in legal education, a moment that requires vision and innovation. Expanding law school access to the most deserving students through scholarships is a key part of that innovation.

GIVE TODAY IN FAVOR OF STUDENTS

With your scholarship donation, you will play an important role in providing opportunity, investing in the next generation of the legal profession, and making a real difference in the career and economic well-being of worthy students.

Please give to Arizona Law *In Favor of Students* at any level, and help us in shaping the next century of legal education.
